Music must stay below our recommended decibel limit. Please note that any DJ or band will need to remove their equipment before 1am on the night of the party, nothing can be left overnight.

We have a house DJ and recommended music providers, please ask your co-ordinator for information. However any out-side suppliers will need to be full insured and all equipment PAC tested up to date.

We have a state of the art lighting system with different lighting effects to match your colour scheme. Please ask our co-ordinators when you look around to demonstrate.
